Cal's All-Star Angel Foundation
721 Ashton Lane
South Elgin, IL 60177

Dear Tom:

On behalf of the thousands of patients and families we are privileged to serve, thank you for the Cal's All-Star Angel Foundation's recent support of *Heroes for Life*: Campaign for Ann & Robert H. Lurie Children's Hospital of Chicago. Scheduled to open in 2012, Lurie Children's will be a 23-story, 1.25 million square foot state-of-the-art facility that will contribute to care and healing through patient-centered design. Your commitment will help to bring healing environments to the hallways, lobbies, playrooms, and patient care floors in Lurie Children's.

Your support of the Creative Arts Program and its Community Partnership initiative will create important momentum for this project and help bring to life the Chicago Children's Museum display, enriching the experiences for hematology, oncology, and stem cell transplantation patients and families visiting the 17th floor. We look forward to recognizing Cal's All-Star Angel Foundation together with the Chicago Children's Museum.

In addition, we are grateful for your interest to contribute to the equipment needs of the playrooms on the 17th and 18th floors, both of which will serve hematology, oncology, and stem cell transplantation patients and families. Together with your involvement, we will be able to promote healing, discovery and development through support, play and education in these important areas.

As we look to the future and the completion of Lurie Children's, I am most grateful for Cal's All-Star Angel Foundation's generosity. We look forward to a long-standing partnership for the benefit of the children and families of our community and beyond.

Sincerely,

Patrick M. Magoon
President and CEO
