**In Exchange for Every \$100 Donated to Help Cal's Angels  
Send Teen Cancer Survivors on an Outdoor Adventure Expedition  
You Will Receive One of These Exclusive  
Walter Payton Collectors' Edition Photos!**

*Collector photographs #1, #34 and #400 will be offered through an Auction at the Cal's Angels 3<sup>rd</sup> Annual Golf Outing and Dinner Fundraising Event on June 12, 2009.*

Our goal is not to simply sell you a photo of Walter Payton but to provide you with something of value in return for your generous donation of \$100 which 100% of each and every penny will help us send teen cancer survivors on an outdoor expedition and camping experience of a lifetime. This experience is geared towards building confidence and social skills after years of cancer treatment that has left most of them isolated and out of touch with their peers. We personally met many of the participants at an informational meeting and we can tell you they are very excited to learn how to set up camp, cook outdoors, rock climb, rappel, kayak and participate in other team building activities with their peers who have all been through the same life threatening ordeal our family knows all too well. The Expedition will be run by The Road Less Traveled (<http://www.theroadlesstraveled.com>), a company educating youth to believe in themselves and their individual and collective abilities to shape the future. They lead young men and women on challenging, stimulating, mind and soul expanding journeys.

**Please help us help these kids have the great time they deserve!**

In exchange for your fully tax deductible \$100 donation you will receive a limited edition photograph that depicts **Legendary Chicago Bears Running Back, Walter Payton**, as he is entering the field for his last home game at Soldier Field. Cal's All-Star Angel Foundation, Inc. received the photographs as a generous gift from sports photographer Bob Baer. Four hundred hand numbered photographs were made for us. Each is matted and framed with hand-etched glass featuring the number 34. Included is a brass name plate reading "Walter Payton", a hologram with corresponding collector's number and a Certificate of Authenticity. This same photograph is featured in *Chicago Bears History* by Roy Taylor.

About the photographer: Bob Baer began to photograph the Chicago Bears in 1984 as they were poised to become the most dominant NFL team of the 1980's. Bob took thousands of photos of the Bears at the peak of their success and provided many photos to sports memorabilia collectors. He continued to photograph the Bears as a freelancer until 1996. Bob focuses on collecting unique pieces of memorabilia such as photos, autographs, jerseys, footballs and posters that he uses to create extraordinary pieces of art available from <http://www.sportsartbybob.com>. Bob has photos on display in the Payton Museum in Walter Payton's Round House Restaurant, Ditka's and SRO's in Chicago.

Thank you in advance for helping us send these special children to camp!
