Mr. Thomas Sutter
Cal's All-Star Angel Foundation, Inc.
721 Ashton Lane
South Elgin, Illinois 60177-3748

Dear Mr. Sutter:

Thank you for contributing to the effort to make Chicago the healthiest place in the nation for kids. When Cal's All-Star Angel Foundation gives to Children's, your organization becomes part of a movement dedicated to improving the health and well-being of Chicago's most precious resource – our children. We are in the midst of one of the most exciting periods in our institution's long and distinguished history. Preparations are underway for our move next June to downtown Chicago, where we will become Ann & Robert H. Lurie Children's Hospital of Chicago!

Through your commitment of \$100,000 to the Creative Arts Program and its Community Partnership initiative, you will enrich the experiences for hematology, oncology, and stem cell transplantation patients and families visiting the 18th floor of Lurie Children's. We look forward to recognizing Cal's All-Star Angel Foundation together with The Peggy Notebaert Nature Museum.

Lurie Children's is quickly taking shape as the technological, medical wonder, designed with kids in mind, which we have envisioned for many years. It will serve as a catalyst for extraordinary accomplishments that will enhance children's health. Though I know you have toured Lurie Children's previously, so much has changed and we would love to demonstrate some of the facility's healing features to you. Please contact T.J. Johnson at 773.880.3796 to schedule a tour or if you have any questions regarding Cal's All-Star Angel Foundation's giving.

It is because of you that we are able to change and improve the world for so many children and families. Thanks again for your generous help and support!

Sincerely,

Thomas J. Sullivan
